About COALBANK LIMITED

COALBANK LIMITED is an ASX-listed company (**ASX: CBQ**) that invests in and develops early stage upstream energy projects.

The Company holds **one of the largest coal exploration permit areas in Australia**, and is primarily focused on coal exploration in Queensland. Significant value is added to the Company's projects through its team's exploration expertise and commercial discovery experience.

COALBANK's future strategy includes the involvement of strategic industry and corporate partners for its portfolio of projects to accelerate their development from exploration to production.

Given COALBANK's core focus on coal exploration, the Company will also consider joint venture partners or spin-off opportunities for our petroleum subsidiary Surat Gas Pty Ltd, and for its metals subsidiary, Harvest Metals Pty Ltd.
