5.1 Introduction

As announced to ASX on 7 August 2012, the Company has issued 27,017,173 Ordinary Fully Paid Shares (**Placement Shares**) to sophisticated and professional investors at 3.8 cents per share.

The issue of the Placement Shares raised \$1.03 million to fund the Company's working capital requirements.

5.2 Why is shareholder approval required?

Listing Rule 7.1 imposes a limit on the number of equity securities (including Shares) that a company can issue without shareholder approval. In general terms, the Company may not without Shareholder approval issue equity securities representing more than 15% of its share capital within a 12 month period.

Securities that are issued with shareholder approval do not reduce the number of equity securities that may be issued by the Company under Listing Rule 7.1.

Under Listing Rule 7.4, shareholder approval for the purposes of Listing Rule 7.1 can be obtained after the securities are issued if the issue did not breach the 15% limit in Listing Rule 7.1 when made. The issue of the Placement Shares did not breach the 15% limit.

Under resolution 5 the Company seeks ratification by Shareholders of the issue of the Placement Shares to provide the Company with greater flexibility to make future issues of equity securities during the next 12 months without first having to obtain the prior approval of Shareholders under Listing Rule 7.1.

5.3 Details of Placement Shares and Convertible Bonds

The Placement Shares were issued on the same terms and conditions as other Shares in the capital of the Company.
