EXPLANATORY NOTES

COALBANK LIMITED

ACN 075 877 075

These Explanatory Notes have been prepared for the information of Shareholders in connection with the business to be conducted at the extraordinary general meeting of COALBANK to be held on Tuesday 15 May 2012.

These Explanatory Notes form part of and should be read in conjunction with the accompanying Notice. A number of words and terms used in these Explanatory Notes have defined meanings, which are set out at the end of these Explanatory Notes.

RESOLUTION 1: RATIFICATION OF PRIOR ISSUE OF SHARES

Background

On 20 February 2012, the Company announced that it had successfully raised \$5 million via a placement of approximately 83,333,333 Shares to institutional and professional investors (**Placement**). The issue price under the Placement was \$0.06 per Share.

Listing Rules

Subject to certain exceptions, Listing Rule 7.1 imposes a limit on the number of securities the Company can issue without Shareholder approval. In general terms, the Company may not, without Shareholder approval, issue securities representing more than 15% of its share capital in a 12 month period.

Listing Rule 7.4 provides that shareholder approval can be obtained after the Shares are issued if the issue did not breach the 15% limit in Listing Rule 7.1 when the offer is made and the Company's members subsequently approve it.

The Shares issued under the Placement represented 10.8% of the issued share capital of the Company and so the issue did not breach the 15% limit.

Resolution 1 is proposed for the purpose of ratifying the issue of the Shares under the Placement. Ratifying the issue of Shares under Resolution 1 will give the Company flexibility to issue further securities in the next 12 months up to the 15% limit without the need for Shareholder approval.

Regulatory information

In compliance with Listing Rule 7.5, the following information is provided:

- The number of Shares allotted pursuant to the Placement was 83,333,333 Shares.
- The issue price of the Shares was \$0.06 per Share.
- The Shares rank equally in all respects with existing Shares from the date of issue.
- The Shares were allotted to a number of institutional and sophisticated investors introduced by Patersons Securities Limited and Gleneagle Securities (Aust) Pty Limited, the joint lead managers of the Placement.

- The funds raised from the Placement will be used for the Company's continued exploration at its Blackall coal project in central Queensland, and for corporate overheads, tenement rentals and costs associated with the potential demerger of the Company's 100% owned copper – gold subsidiary, Harvest Metals.

Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 1.

RESOLUTION 2: RENEWAL OF EMPLOYEE SHARE OPTION PLAN (ESOP)

Background

The Shareholders of the Company approved an employee share option plan (**ESOP**) at an extraordinary general meeting held on 9 September 2008.

For the ESOP to qualify for an exemption from the Listing Rule 7.1 limit on the number of securities the Company can issue without Shareholder approval, the Company must obtain Shareholder approval for the issue of options under the ESOP every three years.

Accordingly, Resolution 2 seeks to refresh the Shareholder approval to issue securities under the ESOP.

Listing Rules

Listing Rule 7.1 provides that a company must not issue equity securities without shareholder approval if that issue, when added to other securities issued by the Company in the previous 12 months, will exceed 15% of the ordinary securities on issue at the commencement of the 12 month period.

Unless an exemption applies, an issue of options by the Company to participants under the ESOP will reduce the Company's capacity to issue further securities without obtaining Shareholder approval under Listing Rule 7.1.

Listing Rule 7.2 contains a number of exceptions to Listing Rule 7.1. Listing Rule 7.2, exception 9(b) allows for the issue of options issued under an employee incentive scheme approved by shareholders to be excluded from the 15% limit in Listing Rule 7.1. The approval must be sought every three years.

The exemption in Listing Rule 7.2, exception 9(b) will not apply to the issue of options to Directors under the ESOP. Under Listing Rule 10.14 any such issue will require further Shareholder approval.

Regulatory information

In accordance with Listing Rule 7.2, the following information is provided:

- A summary of the terms of the ESOP is included in the annexure to these Explanatory Notes. There has been no change to the terms since they were approved in 2008.
- Since the ESOP was approved in 2008 the Company has granted the following options under the terms of the ESOP:
 - 10 September 2008 - 2 million options for no consideration with an exercise price of 7 cents per option granted to John McCawley. The issue of these options was approved by Shareholders at the Company's extraordinary general meeting held on 9 September 2008;

- 8 April 2009 - 1 million options for no consideration with an exercise price of 7 cents per option granted to Jeff Jamieson; and
- 20 April 2009 - 1 million options for no consideration with an exercise price of 7 cents per option granted to Jeff Jamieson.

None of the options granted under the ESOP since 2008 have been exercised and all of the options have lapsed.

Directors' recommendation

The Directors unanimously recommends that you vote in favour of Resolution 2.

RESOLUTION 3: AMENDMENT OF CONSTITUTION

Background

Resolution 3 is a special resolution to replace the current constitution of the Company in its entirety.

The primary reason for the proposed replacement of the existing constitution is that there have been significant changes to the Corporations Act and the Listing Rules since the constitution was adopted on 29 May 2002. The Company therefore wishes to adopt an up-to-date constitution.

The resolution to adopt the new constitution is a special resolution. Accordingly, to be effective it must be passed by at least 75% of the votes cast by Shareholders (either in person or by proxy or corporate representative) entitled to vote on it.

If the Resolution is passed, the new constitution will take effect from the end of the Meeting.

New constitution

A copy of the proposed new constitution will be available on the Company's website (www.coalbank.com). Shareholders should note the following provisions of the new constitution.

Issue of Shares (clause 5)

The Directors may issue, grant options in respect of, or otherwise dispose of, Shares on such terms and conditions as they see fit. However, the Directors must act in accordance with the restrictions imposed by the Constitution, the Listing Rules and the Corporations Act.

Small parcels (clause 13)

Clause 13 of the new constitution enables the Company to invoke procedures for the disposal of Shares where a Shareholder holds less than a marketable parcel of shares. A marketable parcel is defined with reference to the ASX operating rules (being a parcel of Shares with a market value of less than \$500).

The procedure under clause 13 can only be invoked once in any 12 month period.

The Company must give six weeks' notice to the Shareholder of the intention to sell a small parcel. The Shareholder may notify the Company in writing that it wishes to retain the Shares, in which case those Shares will not be sold.

The proceeds of any sale of Shares under clause 13, less any unpaid calls and interest, will be paid to the Shareholder.

Transfer of Shares (clause 16)

Subject to the constitution, Shares are freely transferable.

The Directors may, in their absolute discretion, refuse to register a transfer of Shares if the Listing Rules permit the Company to do so. In addition, the Directors must refuse to register any transfer of shares where the Company is required to do so by the Listing Rules.

Proportional takeover (clause 16.4)

A proportional takeover occurs when a bidder makes an offer to acquire a proportion of the total number of Shares in the Company by acquiring the same percentage of each Shareholder's Shares.

The Corporations Act provides that a company can include in its constitution provisions that prohibit the registration of a transfer of shares resulting from a proportional takeover bid unless the bid is approved by shareholders at a general meeting. Clause 16.4 includes such a prohibition.

Section 648G(5) of the Corporations Act requires that any notice that specifies the intention to propose a resolution to alter a Company's constitution by inserting proportional takeover provisions must include a statement that:

- explains the effect of the proposed provisions;
- explains the reasons for proposing the resolution and sets out the factual matters and principles underlying those reasons;
- states whether, as at the date the statement is prepared, any of the Directors is aware of a proposal by a person to acquire, or to increase the extent of a substantial interest in the Company, and if so, explain the extent to which the proposal has influenced the decision to propose the resolution; and
- discusses both the potential advantages, and the potential disadvantages, of the proposed provisions for the Directors and the Shareholders.

Effect of proportional takeover provisions

Clause 16.4 provides that the Directors may refuse to register a transfer of Shares the subject of an acceptance of an offer made under a proportional takeover bid unless and until a resolution to approve the takeover is approved by Shareholders. Such a resolution will be passed if more than 50% of votes cast on the resolution are in favour of the resolution.

If no resolution to approve the bid has been voted on as at the end of the fourteenth day before the end of the bid period, a resolution approving the bid will be deemed to have been passed.

Clause 16.4 ceases to have effect three years after the adoption of the new constitution.

Reasons for proposing insertion of clause 16.4

The Directors consider that Shareholders should have the opportunity to vote on a proposed proportional takeover bid. A proportional takeover bid may enable control of the Company to be acquired by a party without Shareholders having the opportunity to consider the proposal.

If clause 16.4 is adopted, Shareholders will be able to decide whether a proportional takeover bid should be permitted to proceed.

Present proposals

As at the date of this Notice no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Advantages and disadvantages

The adoption of clause 16.4 will ensure that Shareholders have an opportunity to consider any proportional takeover bid made and vote at a meeting specifically called to vote on the proposal. This participation will ensure that Shareholders are able to prevent a proportional takeover bid proceeding if they consider that the control of the Company should not be altered in accordance with the terms of the bid.

A disadvantage of clause 16.4 is that arguably it reduces the attractiveness of the Company to anyone proposing to make a proportional takeover bid due to the requirement of Shareholder approval. This in turn may reduce opportunities that Shareholders may have to sell their Shares to persons seeking to obtain control of the Company.

However, it remains the view of the Board that the adoption of clause 16.4 is in the best interests of all Shareholders as it allows the majority of Shareholders to determine whether a proportional takeover bid should proceed.

The Directors are of the view that they do not obtain any additional advantages or disadvantages from the inclusion of clause 16.4 other than the fact that its inclusion will allow the Directors to make a recommendation to Shareholders at any meeting to approve a proportional takeover bid.

General meetings and notices (clause 19)

Each Shareholder is entitled to receive a notice of, attend and vote at general meeting of the Company.

A quorum for a general meeting is two Shareholders.

Voting (clause 20)

Subject to the constitution and any rights or restrictions attaching to any class of Shares, at any general meeting every Shareholder present in person or by proxy or representative has one vote by a show of hands, and on a poll, one vote for each fully paid Share held. For each partly paid Share held by the Shareholder, the Shareholder has a fraction of a vote equivalent to the proportion that the amount paid is of the total amount paid and payable on the Share. A Shareholder is entitled to vote only in respect of Shares on which all calls due and payable have been paid.

The chairperson has a casting vote on a show of hands or on a poll.

Directors (clause 21)

Until the Company in general meeting determines otherwise, the minimum number of Directors is three and the maximum is ten.

The Directors may at any time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. A Director appointed in this way holds office until the end of the next annual general meeting of the Company but is eligible for election at that meeting.

Each Director must retire from office not longer than the third annual general meeting of the Company following that Director's appointment. This requirement does not apply to the managing director or any alternate directors. Retiring Directors are eligible for re-election.

Remuneration of Directors (clause 22)

The Directors are entitled to be remunerated. Subject to the Listing Rules, the Directors as a whole (other than executive Directors) may be paid or provided remuneration for their services the total amount or value of which must not exceed an aggregate amount of \$400,000 per annum or such other amount approved at a general meeting.

For additional duties a non-executive Director may receive remuneration as determined by the Directors in addition to or in place of their existing remuneration.

The remuneration of an executive Director may be fixed by the Directors and may be by way of salary or commission or participation profits but may not be by commission on, or a percentage of, operating revenue.

Subject to the Corporations Act and the Listing Rules, the Company may give a person a benefit in connection with a Director's retirement from the Board or managerial office in the Company.

Indemnity (clause 26)

To the extent permitted by law, the Company must indemnify each person who is or has been an officer of the Company against any liability incurred by that person as an officer of the Company (including liabilities incurred by the officer as an officer of a subsidiary of the Company where the Company has requested the officer to accept that appointment).

Dividends (clause 31)

The Directors may by resolution declare or determine a dividend. Dividends are paid to Shareholders in proportion to the amount paid on Shares held by them. The Directors may deduct from a dividend payable to a Shareholder all sums payable by the Shareholder to the Company on account of calls or otherwise in relation to the relevant Shares.

Winding-up (clause 32)

Subject to the constitution and the rights or restrictions attached to any Share, if the Company is wound up the property of the Company (after distribution to pay debts and costs associated with winding up) will be divided among the Shareholders in proportion to the number of Shares held by them, irrespective of the amounts paid or credited as paid on the Shares.

Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 3.
